

## PREFERRED VENDORS

*Thank you for choosing Lone Girl for your event! In order to ensure a quality event that we are proud to host, we have handpicked preferred vendors for many of your additional event planning needs. We do require that you use one of our vetted caterers unless other arrangements are pre-approved by our event manager. We do this to make sure that you and your guests have an excellent experience.*

*All other vendors are suggestions based on our past experiences.*
