

## BREWERY TOURS

We love sharing our passion for craft brewing with others and will gladly show you around our brewery! Meet The Lone Girl Brewing Company owners and/or brewmaster and learn about the brewing process and The Lone Girl story. The tour includes a 6oz sample for each guest of our SpeaKEEeasy Light, one of our flagship brews!

The brewery tour lasts roughly 30 minutes and can accommodate up to 12 guests per tour. If you would like to set up multiple tour times we prefer to run them on the hour and your guests can sign up for their selected time when they arrive at the event.

If hosting an event in The Landing, tours are \$50 per tour for up to 12 guests.  
Payment is collected the date of the event.
